

Project Management (PMBOK v7)

Duration : 3 Days

Course Content

Guide to the Project Management Body of Knowledge (PMBOK® Guide) is PMI's flagship publication and is a fundamental resource for effective project management in any industry. Over the years, business has changed considerably, but projects remain critical drivers of business success.

Over the past few years, emerging technology, new approaches and rapid market changes have changed the world of work, driving the profession to evolve. A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Seventh Edition has been updated to meet these challenges, better align to how people work today and help you be more proactive, innovative and nimble.

Course Objectives
